Committed to your success.

Our goal at Elanco is to help you build stronger relationships with all of your clients. It's why we guarantee the efficacy of our pet vaccine products.

Elanco vaccine guarantee.

Elanco will reimburse up to 100% of standard and reasonable diagnostic/treatment costs up to \$5,000 if a cat or dog vaccinated with an Elanco antigen contracts the corresponding disease.**

**Please see Elanco Vaccine Support Guarantee for full details. Always read, understand and follow the label and use directions.

Elanco believes that Fear Free is the right thing to do for pets and the people who care for them. We are proud to offer vaccines that allow veterinary professionals to provide elevated Fear Free experiences.
