## Sterile Metabolic Solution

**DIRECTIONS FOR USE:**  
By law the user must take due care, obtaining expert advice when necessary, to avoid unnecessary pain and distress when using the product other than as directed on the label.

Do not remove pack from overpouch until just before use.  
Strip the tip of needle connector at the end of delivery tube and connect sterile needle provided.

Inject up to 500mL by the slow intravenous route. Intravenous use of metabolic solutions may be hazardous to the animal, and advice from a veterinary surgeon should be sought before administration.

Alternatively, contents may be injected by the subcutaneous route (under the skin) in the interscapular region. Do not use in animals with severe dehydration. Repeat if necessary after 4 – 6 hours. Massage to facilitate absorption. Repeat if necessary after 4 – 6 hours.

**READ ENTIRE LABEL BEFORE USE**

**WARNING**  
Suspected of damaging fertility or the unborn child

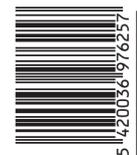

**HANDLING PRECAUTIONS**  
Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves, protective clothing, eye protection, face protection. Store locked up.

**FIRST AID** In case of contact: Get medical advice or attention: For advice contact the National Poisons Centre 0800 POISON (0800 764 766)

**EMERGENCY RESPONSE**  
Stop leak if without risk. Move containers from spill area. Dilute with water and mop up if water-soluble. Alternatively, or if water-insoluble, absorb with an inert dry material and place in container for disposal. For further information call CHEMTREC 0800 425 459. If additional hazard information is required, refer to the Safety Data Sheet. For a copy please go to [www.elanco.co.nz](http://www.elanco.co.nz).

**DISPOSAL**  
Preferably dispose of the product by use. Otherwise dispose of product and packaging in an approved landfill or other approved facility.

**WITHHOLDING PERIOD:** Milk and meat NIL  
**STORAGE:** Store below 25°C. Protect from light. Store locked up.  
Discard unused portion within 24 hours.

Registered pursuant to the ADMM Act 1997, No. 44047.  
See [www.foodsafety.govt.nz](http://www.foodsafety.govt.nz) for registration conditions.
