Glucalphanos™

Sterile Metabolic Solution

DIRECTIONS FOR USE:
Do not use if the bag is damaged. Take due care, obtaining expert advice when necessary, to avoid unnecessary pain and distress when using the product other than as directed on the label.
Do not remove pack from overpouch until just before use.
Snap off the tip of needle connector at the end of delivery tube and connect sterile needle provided.
Cattle: Inject up to 500mL by the slow intravenous route. Intravenous use of metabolic solution should be sought before administration.
Cattle and Sheep: Alternatively, 500mL for cattle and 100mL for sheep may be injected by the subcutaneous route (under the skin) in the anterior half of the neck or over the ribs. Massage to facilitate absorption.
Repeat if necessary after 4 – 6 hours. If complete recovery does not occur, seek veterinary advice.

READ ENTIRE LABEL BEFORE USE

WARNING
Suspected of damaging fertility or the unborn child.

HANDLING PRECAUTIONS
Observe all safety precautions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves, protective clothing, eye protection, face protection. Store locked up.

FIRST AID
If exposed or concerned: Get medical advice or attention. For advice contact the National Poisons Centre 0800 POISON (0800 764 766)

EMERGENCY RESPONSE
Store in original container. Do not use if the container is damaged. If the product is water-soluble, dilute with water and mop up if water-soluble. Alternatively, or if water-insoluble, absorb with an inert dry material and place in an appropriate waste disposal container. For specialist advice in an emergency call CHEMREC 0800 425 469. If additional hazard information is required, refer to the Safety Data Sheet. For a copy please go to www.elanco.co.nz

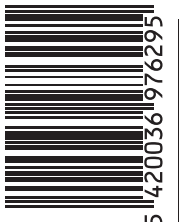

DISPOSAL
Dispose of the product by use. Otherwise dispose of product and packaging in an approved landfill or other approved facility.

WITHHOLDING PERIOD: Milk and meat: Nil

STORAGE: Store below 25°C, protect from light. Store locked up. Discard unused portion within 24 hours.

Registered pursuant to the ACVM Act 1997, No. A1442.
See www.foodsafety.govt.nz for registration conditions.
