COPPERMAX CAPSULES

4
GRAMS

125 x 4 gram capsules
of copper oxide needles

Net weight 500 g

Read the entire label before use.

Harmful if swallowed. Causes serious eye irritation. May cause damage to organs through prolonged or repeated exposure.

HANDLING PRECAUTIONS

IF SWALLOWED: Call a POISON CENTRE or doctor if you feel unwell. Rinse mouth. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

FIRST AID

IF exposed or concerned: Get medical advice or attention. Take off contaminated clothing and wash it before reuse. IF ON SKIN: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice or attention. For advice contact the National Poisons Centre 0800 POISON (0800 764 766).

ENVIRONMENTAL PROTECTION

Very toxic to aquatic life with long lasting effects. Avoid release to the environment. Collect spillage.

EMERGENCY RESPONSE

Avoid dust generation. Do not dry sweep. For specialist advice in an emergency call CHEMTREC 0800 425 459. If additional hazard information is required, refer to the Safety Data Sheet. For a copy please go to www.elanco.co.nz.

DISPOSAL

Preferably dispose of product by use. Otherwise dispose of product and packaging at an approved landfill or other approved facility.

For the treatment and prevention of copper deficiency in young cattle, sheep and deer.

Direction for use

1. Adult sheep, hoggets, weaned lambs, calves and fawns.

Administer one 4 g capsule orally using a suitable copper capsule applicator.

2. Weaner cattle, yearling and adult deer, 100–200 kg live weight.

Administer two 4 g capsules orally using a suitable copper capsule applicator.

Note: Only repeat treatment within 12 months when specifically indicated by laboratory tests.

Caution

Supplementary copper dosing can lead to toxic effects. Do not administer to animals of unknown copper status or those receiving other copper supplements.

Storage

Keep in a cool dry place.

Registered pursuant to the ACVM Act 1997, No. A004943

See www.foodsafety.govt.nz for registration conditions.
