Trade Advice:	<p>EXPORT SLAUGHTER INTERVAL (ESI): An ESI has not been established for this product. Note – observing the meat withholding period may not be sufficient to mitigate potential risks to export trade. Trade advice should be sought from Elanco Australasia Pty Ltd on 1800 226 324 before using this product.</p>
Safety Directions:	<p>Poisonous if swallowed. Will damage eyes and will irritate the nose, throat and skin. Avoid contact with eyes and skin. Do not inhale dust when opening the container and mixing into feed. Repeated exposure may cause allergic disorders. Wear cotton overalls buttoned to the neck and wrist and a washable hat, elbow-length PVC gloves, goggles and disposable dust mask covering mouth and nose. After each day's use, wash gloves, goggles and contaminated clothing. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water.</p>
First Aid Instructions:	<p>If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 1126. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.</p>
First Aid Warnings:	
Additional User Safety:	
Environmental Statements:	
Disposal:	<p>Shake and empty contents into medicated feed. Do not dispose of undiluted chemicals on-site. Puncture or shred and deliver to an approved waste management facility. If an approved waste management facility is not available, bury the punctured or shredded bag 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, vegetation and roots, in compliance with relevant local, state or territory government regulations. Do not burn empty bags or product.</p>

Storage:

Store below 30 °C (Room Temperature) in a dry place.
