Glucalmax™

Sterile Metabolic Solution

DIRECTIONS FOR USE:
By law the user must take due care, obtaining expert advice when necessary, to avoid unnecessary pain and distress when using the product other than as directed on the label.

Do not remove pack from overpouch until just before use.

Snap off the tip of needle connector at the end of delivery tube and connect sterile needle provided.

Inject up to 500mL by the slow intravenous route. Intravenous use of metabolic solutions may be hazardous to the animal, and advice from a veterinary surgeon should be sought before administration.

Apply firm pressure to the site of the injection by the subcutaneous route (under the skin) in the anterior part of the neck or over the ribs.

Massage to facilitate absorption. Repeat if necessary after 4 – 6 hours. If complete recovery does not occur, seek veterinary advice.

READ ENTIRE LABEL BEFORE USE

WARNING

Suspected of damaging fertility or the unborn child.

HANDLING PRECAUTIONS

Obtain special instructions before use. Do not handle until all safety measures are understood and understood. Wear appropriate protective clothing, eye protection, face protection. Store locked up.

FIRST AID

If exposed or concerned: Get medical advice or attention. For advice contact the National Poisons Centre 0800 POISON (0800 764 766)

EMERGENCY RESPONSE

Stop leak. If without risk. Move containers from spill area. Dilute with water and mop up in accordance with the appropriate hazard identification. Do not empty into drains and place in an appropriate waste disposal container. For specialist advice in an emergency call CHEMTREC 0800 425 459. If additional hazard information is required, refer to the Safety Data Sheet. For a copy please go to www.elanco.co.nz.

DISPOSAL

Preferably dispose of the product by use. Otherwise dispose of product and packaging in an approved landfill or other approved facility.

WITHHOLDING PERIOD: Milk and meat: NIL

STORAGE: Store below 25°C. Protect from light. Store locked up. Discard unused portion within 24 hours.

Registered pursuant to the ACVM Act 1997, No. A1441. See www.ticassafety.govt.nz for registration conditions.
